

Position Summary

Cybersecurity Intern

20210008

ASSURSEC is seeking a highly motivated, flexible, organized, customer-focused, and detail-oriented Full-Time Cybersecurity Intern to join our dynamic team.

This position is for someone who is inquisitive, independent, and excited to learn. The ideal candidate is one who is a divergent thinker and understands industry best practices. ASSURSEC is looking for someone who is a team player, possess strong work ethics, multi-tasking skills, and communicates effectively and professionally. They should have the ability to “take the wheel”, when necessary.

As a Cybersecurity Intern, you will have the ability to provide support to our Information Security department in day-to-day operations including supporting in security assessments, risk assessments, and technical research.

DEADLINE to apply for this Internship: March 31, 2021 at 11:59 p.m.

NOTE: This is an Unpaid Internship opportunity

What You'll Do

Position Responsibilities:

- Provides technical support on assignments utilizing established procedures and guidance provided by the assigned technical mentor
- Candidates will have the opportunity to explore all aspects of an IT organization from technical to support functions
